Acrylic Sheets

CHAN C BROS currently continues to manufacture lighting fixtures and acrylic novelties as well as plastic extrusion products.

In the last decade, the company has broadened its product range and ventured into the industry of **bathroom fixtures and tiles**.

PRODUCTION FACILITY

The Chan C Bros, Inc. (CCBI) manufacturing plant and warehouse is located at Anabu 1, Imus, Cavite.

The 3-hectare plant and warehouse of CCBI sits inside the 40-hectare compound being used by both CCBI and its sister company, Liwayway Marketing Corporation (Oishi brand of snack foods).

PARTNERS

CHAN C BROS is also a dealer of other brands to complement its own products. Through these partnership we can better provide a wider range of products to our clients.
